

Privacy Statement

It's important that you understand the way we obtain and use your personal information and the limited circumstances in which we might disclose it. This privacy statement details the information we gather, how we may use it, and how you can correct or change it if necessary.

Our website has areas where you can provide personal information to identify yourself. We have developed this privacy statement to inform you of our policies and practices regarding such information.

This document is called the Forza Taekwondo Privacy Policy. It relates to the web pages and services available at the Forza's Taekwondo website: www.forzatkd.com.au

Forza Taekwondo:

- may alter or update this policy from time to time and will update both written and online versions
- will take all reasonable steps to act in accordance with this policy
- assumes no responsibility for the information practices of other websites that a user is able to access through our site.

What Information Do We Collect?

The information we collect depends on what you're doing. When you apply to Forza Taekwondo, we collect personal details such as your name, email, postal address and phone number. This information is essential for us to be able to accurately identify you when you access our services.

How Do We Use Your Information?

Your credit card number is only used to charge for the products and services for which you've subscribed.

We treat the information we collect from you as confidential. Other than as set out below, we will not reveal, disclose, sell, distribute, rent, licence, share or pass on to any third parties, any personal information that you may have provided to us, unless we have your express consent to do so.

Exceptions to Sharing Information

We may share your information when there are reasonable grounds to believe that disclosure is necessary to prevent a threat to life or health and where Forza Taekwondo is required by law to provide your information.

The open nature of the internet means no data transmission is 100% secure. While we strive to protect your information, we can't guarantee the security of any information you transmit to us or receive from our online products or services. These activities are conducted at your own risk. Once we receive your information, we'll use our best efforts to ensure its security.
